

# MARCO SILVA

 Software Developer

33 years old

## EXPERIENCE

### 2024 - Present

#### GOVERNMENT OF SAN LUIS Dev Full Stack Angular y .NET

- Comprehensive development of a web application for the administration and management of sports and social clubs. The project encompasses both the frontend, developed in Angular, and the backend, built with .NET.

### 2021 - 2024

#### FREELANCE Personal Projects - Freelance

- Showcasing expertise in web and hybrid projects, I demonstrate proficiency in Angular for front-end interfaces, Ionic, and Capacitor for hybrid solutions, and .NET for robust back-end APIs. This highlights my ability to create effective end-to-end solutions, ensuring seamless integration and optimal performance across platforms.

### 2015 - 2021

#### BRITISH ENGLISH INSTITUTE Administrative

- Skilled in organizing information both digitally and on paper.
- Expertise in Word, PowerPoint, and Excel for document creation and management.
- Proactively maintained office systems, collaborating with IT for issue resolution.

## EDUCATION

2021 - 2024

#### TECHNICAL DEGREE IN SOFTWARE DEVELOPMENT

**Universidad Nacional de La Punta**

2003 - 2009

#### UNDERGRADUATE SPECIALIZING IN EXACT SCIENCES.

**Instituto Monseñor Orzali**
